View the tutorial See what you can create with InDesign for details. Is InDesign hard to use? If you can do web design, indesign is easy peasy. ... If you're ace at photoshop and illustrator, you'll be a master at indesign. It's not so hard at all. Besides, all adobe programs work a bit the same Can I teach myself InDesign? Online courses for learning InDesign There are options with a live instructor leading InDesign courses online, where you can ask questions and share your screen with an instructor. Live online InDesign courses are different from recorded sessions. Is there a free alternative to InDesign? If you're looking for a free and open source alternative to InDesign, then we recommend checking out Scribus. This excellent tool has an interface that's very similar to InDesign and is surprisingly feature-packed for a zero-cost tool How can I get InDesign for free? How to Download the Free Trial of InDesign Go to the Adobe catalog. Select Start Free Trial under Adobe InDesign. Tap the Start Free Trial button in the right column for InDesign. Type in your email address. Choose a plan from the drop-down menu on the rightâ€”the annual plan paid monthly is the most cost-effective. Is InDesign better than publisher? Winner: Adobe InDesign. Adobe InDesign has more features and capabilities than Publisher overall. You can do a ton with the program, the tools are designed better, and you have more control over the final image. Winner: Microsoft Publisher
