# About the course Python for Cybersecurity for Beginners

Python for Cybersecurity course, in this course Learn how to leverage Python programming for enhancing cybersecurity, including threat analysis, detection, and defense.

**Computer Science Category's Courses**

# Course Lesson(22)

Lesson 1 : **Python for Beginners | Google Advanced Data Analytics Certificate**

Lesson 2 : **Python How To | Google IT Automation with Python Certificate**

Lesson 3 : **Fundamentals of Python for Cybersecurity | Google Cybersecurity Certificate**

Lesson 4 : **Python Syntax and Automation | Google IT Automation with Python Certificate**

Lesson 5 : **Python Project Tutorial | Google IT Automation with Python Certificate**

Lesson 6 : **OOP and the Capabilities of Python | Google IT Automation with Python Certificate**

Lesson 7 : **Strings Lists and Dictionaries in Python | Google IT Automation with Python Certificate**

Lesson 8 : **Working with Bash and Python | Google IT Automation with Python Certificate**

Lesson 9 : **Exploring Python Syntax | Google IT Automation with Python Certificate**

Lesson 10 : **Python Let s Talk About Loops | Google IT Automation with Python Certificate**

Lesson 11 :
**Installing Python on Windows Mac and Linux | Google IT Automation with Python Certificate**

Lesson 12 : **What Is Python | Google Career Certificates**

Lesson 13 : **Testing Python for Beginners | Google IT Automation with Python Certificate**

Lesson 14 : **How to Run a Python Script | Google IT Automation with Python Certificate**

Lesson 15 : **Efficient Python Code | Google IT Automation with Python Certificate**

Lesson 16 : **Python File Handling | Google IT Automation with Python Certificate**

Lesson 17 : **Regular Expressions in Python | Google IT Automation with Python Certificate**

Lesson 18 :
**The Linux Operating System and Bashing | Google IT Automation with Python Certificate**

Lesson 19 : **Troubleshooting When It Doesn t Work | Google IT Automation with Python Certificate**

Lesson 20 : **Managing Data and Processes | Google IT Automation with Python Certificate**

Lesson 21 : **The Foundation of Python Object Oriented Programming | Google Career Certificates**

Lesson 22 : **How to Maximize Efficiency in Python | Google Career Certificates**
