About the course Facebook Business Page Settings

Facebook Business Page Settings course, in this course we dive into the various settings options available to business page administrators. Participants will learn how to customize their page's appearance, control privacy settings, manage page roles and permissions, set up messaging preferences, and configure call-to-action buttons. Additionally, the course covers advanced settings such as page moderation, profanity filters, and audience targeting options. Through practical tutorials and demonstrations, learners will gain the knowledge and skills needed to tailor their Facebook business page to meet their specific goals and objectives. Whether you're new to Facebook marketing or looking to enhance your existing page, this course equips you with the tools to maximize the effectiveness of your Facebook Business Page.
