Mindluster Platform

About the course CATIA V5 3D modeling for beginners

CATIA V5 3D modeling course, in this course we explore the fundamentals and advanced techniques of creating three-dimensional models in CATIA V5. Throughout this course, you'll delve into the intricacies of creating solid and surface geometry, from simple shapes to complex assemblies. From understanding the basic principles of 3D modeling to mastering advanced features and workflows, you'll gain the knowledge and skills needed to bring your design ideas to life in three dimensions. Through hands-on tutorials and practical exercises, you'll learn how to navigate the CATIA V5 interface, create sketches, extrude and revolve features, and assemble components into functional designs. Whether you're a beginner or seeking to enhance your CATIA proficiency, this course provides valuable insights and techniques to help you unlock the full potential of 3D modeling in CATIA V5. Join us as we embark on a journey to master CATIA V5 3D Modeling and unleash your creativity in three dimensions.

Engineering Category's Courses

Course Lesson(16)

Lesson 1 : **CATIA Training Course Exercises for Beginners 1 CATIA Sketcher Exercises**

Lesson 2 : **CATIA Training Course Exercises for Beginners 2 CATIA Sketcher Drawings**

Lesson 3 : **CATIA Training Course Exercises for Beginners 4 CATIA V5 Part Design Exercises**

Lesson 4 : **CATIA Training Course Exercises for Beginners 5 CATIA Exercises with Solutions**

Lesson 5 : **CATIA Training Course Exercises for Beginners 6 CATIA V5 Exercises**

Lesson 6 :
CATIA Training Course Exercises for Beginners 7 CATIA Practice Exercises for Pattern Tool

Lesson 7 :
CATIA Training Course Exercises for Beginners 8 CATIA Practice Drawings for Shaft Tool

Lesson 8 :
CATIA Training Course Exercises for Beginners 9 CATIA Practice Drawings for Rib Command Tool

Lesson 9 :
CATIA Training Course Exercises for Beginners 10 CATIA Multi Sections Solid Practice Drawings

Lesson 10 : **CATIA Assembly Design Exercises for Beginners**

Lesson 11 : **CATIA Surface Design Exercises for Beginners 1 CATIA Surface Design Examples**

Lesson 12 : **CATIA Surface Design Exercises for Beginners 2 CATIA Surface Design Tutorial**

Lesson 13 : **AutoCAD 2016 Tutorial for Beginners 2**

Lesson 14 :
CATIA Exploded View Assembly Drawing Drafting Tutorial CATIA Bill of Material Balloon

Lesson 15 : **CATIA Sheet Metal Exercises for Beginners 1**

Lesson 16 : **CATIA V5 3D Modeling Shorts**
