# About the course Remote Sensing Basics

Remote Sensing Basics course in hindi, in this course explore the fundamentals of remote sensing, including data acquisition, interpretation, and applications in various fields.

**Engineering Category's Courses**

# Course Lesson(25)

Lesson 1 : **Remote Sensing and GIS Intro Video**

Lesson 2 : **Lec 01 Overview and Introduction**

Lesson 3 : **Lec 02 Basics of Remote Sensing**

Lesson 4 : **Lec 03 Error corrections in satellite image**

Lesson 5 : **Lec 04 Error Identification and Correction I**

Lesson 6 : **Lec 05 Error Identification and Correction II**

Lesson 7 : **Lec 06 Error Identification and Correction III**

Lesson 8 : **Lec 7 DIP I**

Lesson 9 : **Lec 8 DIP II**

Lesson 10 : **Lec 9 DIP III**

Lesson 11 : **Lec 10 DIP IV**

Lesson 12 : **Lec 11 Image Classification I**

Lesson 13 : **Lec 12 Image Classification II**

Lesson 14 : **Lec 13 Photogrammetry**

Lesson 15 : **Lec 14 Thermal Remote Sensing**

Lesson 16 : **Lec 15 Microwave Remote Sensing**

Lesson 17 : **Lec 16 HRS I**

Lesson 18 : **Lec 17 HRS II**

Lesson 19 : **Lec 18 HRS III**

Lesson 20 : **Lec 19 HRS IV**

Lesson 21 : **Lec 20 HRS V**

Lesson 22 : **Lec 21 GIS I**

Lesson 23 : **Lec 22 GIS II**

Lesson 24 : **Lec 23 Applications of Remote Sensing GIS I**

Lesson 25 : **Lec 24 Applications of Remote Sensing GIS II**
