About the course Setting up google my business

Course Presenter : Stewart Gauld

Setting up google my business, in this course we will learn about setting up Google My Business (GMB) to enhance online visibility and attract more customers. Youâ€™ll discover how to create, verify, and optimize your business listing for better local search rankings. Weâ€™ll cover key features like adding business details, managing customer reviews, uploading photos, and using Google Posts to engage your audience. You'll also learn SEO strategies to improve your search presence and track performance using Google My Business insights. By the end of this course, youâ€™ll be able to effectively manage your business on Google, boost credibility, and drive more traffic to your store or website. Stewart Gauld
