About the course Pentium Microprocessor Features

Pentium Microprocessor course in hindi, in this course we delve into the intricacies of the Pentium microprocessor, its architecture, and applications in modern computing.

Computer Science Category's Courses

Course Lesson(6)

Lesson 1 : **Features of Pentium Microprocessor**

Lesson 2 : **Architecture of Pentium Microprocessor**

Lesson 3 : **Pipelining in Pentium Microprocessor**

Lesson 4 : **Branch Prediction Logic of Pentium Microprocessor**

Lesson 5 : **Cache Memory Organization in Pentium Microprocessor**

Lesson 6 : **Comparison of Core I3 Core I5 Core I7 Microprocessor**
