# About the course Interrupt of Microprocessor 8086

Interrupt of Microprocessor 8086 course in hindi, in this course explores handling external and internal interrupts, enabling responsive interactions in 8086 programming."

**Computer Science Category's Courses**

## Course Lesson(5)

Lesson 1 : **Interrupt and Types of Interrupt in Microprocessor 8086**

Lesson 2 : **Interrupt Service Routine ISR Interrupt Execution in Microprocessor 8086**

Lesson 3 : **Interrupt Vector Table IVT in Microprocessor 8086**

Lesson 4 : **Hardware Interrupt and Interrupt Priority in Microprocessor 8086**

Lesson 5 : **INT 21H DOS Interrupt in Microprocessor 8086**
