About the course IO Interfacing with Microprocessor 8085

IO Interfacing with 8085 course in hindi, in this course explores methods and techniques for connecting and controlling external devices with the 8085 microprocessor.

Computer Science Category's Courses

Course Lesson(8)

Lesson 1 : **Peripheral Mapped IO in Microprocessor 8085**

Lesson 2 : **Blue Print of IO Interfacing with Microprocessor 8085**

Lesson 3 : **Absolute Decoding and Partial Decoding in Microprocessor 8085**

Lesson 4 : **LED Interfacing with Microprocessor 8085**

Lesson 5 : **Seven Segment Display Interfacing with Microprocessor 8085**

Lesson 6 : **DIP Switch Interfacing with Microprocessor 8085**

Lesson 7 : **1 Examples of IO Interfacing and Addressing Registers**

Lesson 8 : **2 Examples of IO Interfacing and Addressing Registers**
