This certified course integrates practical exercises with theoretical knowledge, providing you with actionable skills applicable in real-world business environments. Who should enroll in this course? - Business professionals seeking to improve their project management capabilities - Project managers aiming to enhance stakeholder engagement and communication - Entrepreneurs and team leaders looking to expand their professional network - Anyone interested in developing strategic networking skills for career advancement Why choose this course on our platform? - Flexible online format allowing learning at your own pace - Expert instructors with extensive industry experience - Practical, real-world focused content designed for immediate application - A recognized certification to validate your professional skills - Dedicated support and resources to maximize your learning experience Completing this training course will open doors to a variety of career opportunities within project management, business development, and organizational leadership. Certified professionals are highly valued in the Middle East, Saudi Arabia, UAE, and globally for their ability to drive projects forward through effective networking. Upon successful completion, you will receive a professional certificate that enhances your credentials and demonstrates your commitment to continuous improvement and career growth. Enroll now to develop vital networking skills that will empower you to succeed in todayâ€™s competitive business landscape. IIT Roorkee July 2018

Business Category's Courses

Course Lesson(61)

Lesson 1 : **Lecture 60 Networking Techniques for Project Management III**

Lesson 2 : **Lecture 59 Networking Techniques for Project Management II**

Lesson 3 : **Lecture 58 Networking Techniques for Project Management I**

Lesson 4 : **Lecture 57 Financing of New Projects II**

Lesson 5 : **Lecture 56 Financing of New Projects I**

Lesson 6 : **Lecture 55 Project Risk Analysis V**

Lesson 7 : **Lecture 54 Project Risk Analysis IV**

Lesson 8 : **Lecture 53 Project Risk Analysis III**

Lesson 9 : **Lecture 52 Project Risk Analysis II**

Lesson 10 : **Lecture 51 Project Risk Analysis I**

Lesson 11 : **Lecture 50 Cost of Capital VI**

Lesson 12 : **Lecture 49 Cost of Capital V**

Lesson 13 : **Lecture 48 Cost of Capital IV**

Lesson 14 : **Lecture 47 Cost of Capital III**

Lesson 15 : **Lecture 46 Cost of Capital II**

Lesson 16 : **Lecture 45 Cost of Capital I**

Lesson 17 : **Lecture 44 Estimation of Project Cash Flows V**

Lesson 18 : **Lecture 43 Estimation of Project Cash Flows IV**

Lesson 19 : **Lecture 42 Estimation of Project Cash Flows III**

Lesson 20 : **Lecture 41 Estimation of Project Cash Flows II**

Lesson 21 : **Lecture 40 Estimation of Project Cash Flows I**

Lesson 22 : **Lecture 39 Investment Criteria Capital Budgeting VII**

Lesson 23 : **Lecture 38 Investment Criteria Capital Budgeting VI**

Lesson 24 : **Lecture 37 Investment Criteria Capital Budgeting V**

Lesson 25 : **Lecture 36 Investment Criteria Capital Budgeting IV**

Lesson 26 : **Lecture 35 Investment Criteria Capital Budgeting III**

Lesson 27 : **Lecture 34 Investment Criteria Capital Budgeting II**

Lesson 28 : **Lecture 33 Investment Criteria Capital Budgeting I**

Lesson 29 : **Lecture 32 Time Value of Money V**

Lesson 30 : **Lecture 31 Time Value of Money IV**

Lesson 31 : **Lecture 30 Time Value of Money III**

Lesson 32 : **Lecture 29 Time Value of Money II**

Lesson 33 : **Lecture 28 Time Value of Money I**

Lesson 34 : **Lecture 27 Financial Estimate and Projections An Illustration III**

Lesson 35 : **Lecture 26 Financial Estimate and Projections An Illustration II**

Lesson 36 : **Lecture 25 Financial Estimate and Projections An Illustration I**

Lesson 37 : **Lecture 24 Financial Estimate and Projections VI**

Lesson 38 : **Lecture 23 Financial Estimate and Projections V**

Lesson 39 : **Lecture 22 Financial Estimate and Projections IV**

Lesson 40 : **Lecture 21 Financial Estimate and Projections III**

Lesson 41 : **Lecture 20 Financial Estimate and Projections II**

Lesson 42 : **Lecture 19 Financial Estimate and Projections I**

Lesson 43 : **Lecture 18 Technical Analysis V**

Lesson 44 : **Lecture 17 Technical Analysis IV**

Lesson 45 : **Lecture 16 Technical Analysis III**

Lesson 46 : **Lecture 15 Technical Analysis II**

Lesson 47 : **Lecture 14 Technical Analysis I**

Lesson 48 : **Lecture 13 Market Demand Analysis Demand Forecasting III**

Lesson 49 : **Lecture 10 Market Demand analysis process**

Lesson 50 : **Lecture 12 Market Demand analysis Demand forecasting II**

Lesson 51 : **Lecture 11 Market Demand Analysis Demand Forecasting I**

Lesson 52 : **Lecture 09 Market Demand analysis**

Lesson 53 : **Lecture 08 Screening of Project Ideas and Entrepreneurship**

Lesson 54 : **Lecture 07 Screening of Project Ideas**

Lesson 55 : **Lecture 06 Generation and Screening of Project Ideas III**

Lesson 56 : **Lecture 05 Generation and Screening of Project Ideas II**

Lesson 57 : **Lecture 04 Generation and Screening of Project Ideas I**

Lesson 58 : **Lecture 03 Project Selection Process and Analysis**

Lesson 59 : **Lecture 02 Project Selection Process**
