Lesson 4 : **Model grid search CV in scikit learn Part 1 2**

Lesson 5 : **Model grid search CV in scikit learn Part 2 2**

Lesson 6 : **Data pre processing data using scikit learn Part 1 2**

Lesson 7 : **Data pre processing data using scikit learn Part 2 2**

Lesson 8 : **Metrics to check the quality of Machine Learning Models Part 1 7**

Lesson 9 : **Metrics to check the quality of Machine Learning Models Part 2 7**

Lesson 10 : **Metrics to check the quality of Machine Learning Models Part 3 7**

Lesson 11 : **Metrics to check the quality of Machine Learning Models Part 4 7**

Lesson 12 : **Metrics to check the quality of Machine Learning Models Part 5 7**

Lesson 13 : **Metrics to check the quality of Machine Learning Models Part 6 7**

Lesson 14 : **Metrics to check the quality of Machine Learning Models Part 7 7**

Lesson 15 : **Meta estimator voting classifier 1 2**

Lesson 16 : **Meta estimator voting classifier soft 2 2**

Lesson 17 : **Meta estimator in sk lego Threshold**

Lesson 18 : **Group prediction with meta estimators 1 3**

Lesson 19 : **Group prediction with meta estimators 1 2**

Lesson 20 : **Group prediction with meta estimators 3 3**

Lesson 21 : **Zero Inflated Regressor Meta estimators**

Lesson 22 : **A Gentle Introduction to Machine Learning**

Lesson 23 : **Cross Validation in Machine Learning Fundamentals in Urdu Hindi**

Lesson 24 : **The Confusion Matrix Machine Learning Fundamentals**

Lesson 25 : **Sensitivity and Specificity Machine Learning Fundamentals**

Lesson 26 : **Bias and Variance Machine Learning Fundamentals**

Lesson 27 : **Entropy in Data Science and Machine learning in Urdu Hindi**

Lesson 28 : **Linear Regression Fitting a line least squares in Urdu Hindi**

Lesson 29 : **Multiple Regression Fitting Plane to data in Urdu Hindi**

Lesson 30 : **Logistic Regression in Urdu and Hindi**

Lesson 31 : **ROC and AUC in Machine Learning in Urdu Hindi**

Lesson 32 : **Maximum Likelihood in Logistic Regression in Urdu Hindi**

Lesson 33 : **R squared and p value in Logistic regression in Urdu Hindi**

Lesson 34 : **Regularization Ridge L2 Regression in Hindi Urdu 1 3**

Lesson 35 : **Regularization Lasso L1 Regression in Hindi Urdu 2 3**

Lesson 36 : **Regularization Elastic Net Regression in Hindi Urdu 3 3**

Lesson 37 : **Principal Component Analysis PCA Step by Step**

Lesson 38 : **K means clustering in Urdu Hindi**

Lesson 39 : **What is deep learning in Urdu Hindi**

Lesson 40 : **Google colab crash course in 26 minutes**

Lesson 41 : **Neural Network Simplest and easy to make Deep Learning**

Lesson 42 : **Deep Learning with computer vision in TensorFLow 2 0**

Lesson 43 : **How many epochs should we run in tensorflow**

Lesson 44 : **Types of Neural Network in Deep Learning**

Lesson 45 : **What is a neural network and its fundamentals in Urdu Hindi**

Lesson 46 : **Gradient Descent and its types in Urdu Hindi**

Lesson 47 : **Artificial Neural Network Fundamentals in Urdu Hindi**

Lesson 48 : **Activation Functions Crash Course in 75 Minutes Deep Learning with Tensorflow**

Lesson 49 : **How convolutional neural networks CNN in Urdu Hindi**

Lesson 50 : **How Recurrent Neural Networks RNN Work Urdu Hindi**

Lesson 51 : **Long short term memory LSTM in Urdu Hindi**

Lesson 52 : **Data Augmentation for Deep learning in Urdu Hindi**

Lesson 53 : **K nearest neighbors In urdu hindi**

Lesson 54 : **What is Naive Bayes classifier in Urdu Hindi**

Lesson 55 : **Decision Tree and Classification Machine Leaning in Hindi Urdu 1 2**

Lesson 56 : **Decision Trees Feature Selection and Missing Data 2 2**

Lesson 57 : **Regression Trees algorithm Machine Learning in Urdu Hindi**

Lesson 58 : **Random Forest Machine learning theory in Hindi Urdu 1 2**

Lesson 59 : **Random Forest Missing data and clustering in Hindi Urdu 2 2**

Lesson 60 : **Time Series analysis in Python Urdu Hindi Case 1 2**

Lesson 61 : **Time Series analysis in Python Urdu Hindi Case 2 2**

Lesson 62 : **Feature Engineering for machine learning in Urdu Hindi**

Lesson 63 : **Curse of dimensionality in Machine Learning in Hindi Urdu**

Lesson 64 : **PCA in feature extraction for Machine Learning Urdu Hindi**

Lesson 65 : **PCA Variance in Machine Learning Hindi Urdu**

Lesson 66 : **PCA covariance Matrix in Machine Learning Hindi Urdu**

Lesson 67 : **PCA Eigen Vectors and Eigen Values in Machine Learning Hindi Urdu**

Lesson 68 : **Principal Component Analysis in Machine Learning Hindi Urdu**

Lesson 69 : **Principal Component Analysis coding in Python for Machine Learning Hindi Urdu**

Lesson 70 : **What is deep learning in Urdu Hindi**

Lesson 71 : **Neural networks and its fundamentals in Urdu Hindi**

Lesson 72 : **Artificial Neural Network and applications in Hindi Urdu**

Lesson 73 : **How convolutional Neural Networks CNN Work in Urdu Hindi**

Lesson 74 : **Recurrent Neural Networks RNN with Practical Implementation in Hindi Urdu**

Lesson 75 : **Long Short Term Memory LSTM with examples in Hindi Urdu**

Lesson 76 : **Data Augmentation in Deep Learning Hindi Urdu 1 2**

Lesson 77 : **Data Augmentation in Deep Learning Hindi Urdu 2 2**

Lesson 78 : **ADABoost in Machine Learning Hindi Urdu**

Lesson 79 : **Support Vector Machines in Machine Learning Hindi Urdu**
