About the course Depictive Signing in American Sign Language

Depictive Signing course, in this course we will learn about the Depictive Signing method, a crucial tool for communication with the deaf and mute. Through visual representation using gestures, mime, and facial expressions, Depictive Signing conveys concepts directly, aiding in understanding abstract ideas without relying on spoken language. This course delves into techniques for clear and effective communication using Depictive Signing, enhancing interaction with the deaf and mute community.
