About the course Antibiotics Mechanisms of Action

Antibiotics course, in this course we will explore the fascinating world of antibiotics, essential medications used to treat bacterial infections. Participants will learn about the history of antibiotics, their mechanisms of action, types of antibiotics, and the development of antibiotic resistance. Through lectures and case studies, learners will gain insights into the rational use of antibiotics, factors influencing antibiotic selection, and strategies to combat antibiotic resistance. The course aims to enhance participants' understanding of antibiotics and their role in modern medicine.

Medical Category's Courses

Course Lesson(25)

Lesson 1 : **Antibiotics Mechanisms of Action Animation**

Lesson 2 : **Antibiotic Resistance Animation**

Lesson 3 : **Antiviral Drugs Mechanisms of Action Animation**

Lesson 4 : **How Vaccines Work Herd Immunity Types of Vaccines Animation**

Lesson 5 : **All Types of Vaccines How They Work Animation**

Lesson 6 : **RNA Vaccines mRNA Vaccine Basis of Pfizer and Moderna COVID 19 vaccines Animation**

Lesson 7 :
mRNA Vaccines Layman s version Pfizer Moderna COVID 19 vaccines plus some FAQs Animation

Lesson 8 : **Understanding the Virus that Causes COVID 19 Animation**

Lesson 9 : **How J J COVID 19 Vaccine Works Animation**

Lesson 10 : **Current Status of Possible Treatments for COVID 19 Animation**

Lesson 11 : **Inflammatory Response Animation**

Lesson 12 : **The Immune System Overview Animation**

Lesson 13 : **Cellular Immunity Adaptive Immunity part 1 Animation**

Lesson 14 : **Humoral Immunity Adaptive Immunity part 2 Animation**

Lesson 15 : **HIV and AIDS Infection Stages Pathology and Treatment Animation**

Lesson 16 : **What is CRISPR Animation**

Lesson 17 : **Animation of Protein Synthesis Translation in Prokaryotes**

Lesson 18 : **Infectious Diseases Overview Animation**

Lesson 19 : **Monkeypox Symptoms Transmission Prevention and Treatments Animation**

Lesson 20 :
Shingles Pathophysiology Symptoms 3 stages of Infection Complications Management Animation

Lesson 21 : **Infectious Mononucleosis Mono the Kissing Disease Animation**

Lesson 22 : **Syphilis Pathophysiology Diagnosis and Treatments Animation**

Lesson 23 : **Salmonella Infections Salmonellosis Animation**

Lesson 24 : **Hand Foot and Mouth Disease Animation**

Lesson 25 : **Lyme Disease Animation**
