About the course Aquagenic Pruritus Comorbidities

Aquagenic Pruritus Comorbidities course, in this course we will learn about the various comorbidities associated with aquagenic pruritus. Exploring dermatological disorders, systemic conditions, and their interplay with aquagenic pruritus, we delve into diagnostic approaches, management strategies, and the impact on patient outcomes. Additionally, we examine special populations such as pediatric, geriatric, and pregnant patients, addressing unique considerations in comorbidity management.
