Mindluster Platform

About the course Software Development Process

In software engineering, a software development process is a process of dividing software development work into smaller, parallel, or sequential steps or sub-processes to improve design, product management. It is also known as a software development life cycle (SDLC).

Programming Category's Courses

Course Lesson(107)

Lesson 1 : **Lesson Overview Georgia Tech Software Development Process**

Lesson 2 : **Object Orientation Introduction Georgia Tech Software Development Process**

Lesson 3 : **Objects and Classes Georgia Tech Software Development Process**

Lesson 4 : **Benefits of OO Georgia Tech Software Development Process**

Lesson 5 : **OO Benefits Quiz Georgia Tech Software Development Process**

Lesson 6 : **OO Benefits Quiz Solution Georgia Tech Software Development Process**

Lesson 7 : **OO Analysis History Georgia Tech Software Development Process**

Lesson 8 : **OO Analysis Overview Georgia Tech Software Development Process**

Lesson 9 : **Modeling Classes Quiz Georgia Tech Software Development Process**

Lesson 10 : **Modeling Classes Quiz Solution Georgia Tech Software Development Process**

Lesson 11 : **Running Example Explanation Georgia Tech Software Development Process**

Lesson 12 : **UML Structural Diagrams Class Diagram Georgia Tech Software Development Process**

Lesson 13 : **Class Diagram Class Georgia Tech Software Development Process**

Lesson 14 : **Class Diagram Attributes Georgia Tech Software Development Process**

Lesson 15 : **Class Diagram Operations Georgia Tech Software Development Process**

Lesson 16 : **Class Diagram Relationships Georgia Tech Software Development Process**

Lesson 17 : **Class Diagram Relationships Quiz Georgia Tech Software Development Process**

Lesson 18 : **Class Diagram Relationships Quiz Solution Georgia Tech Software Development Process**

Lesson 19 : **Class Diagram Dependency Relationship Georgia Tech Software Development Process**

Lesson 20 :
Class Diagram Association Aggregation Relationships Georgia Tech Software Development Process

Lesson 21 : **Class Diagram Generalization Relationship Georgia Tech Software Development Process**

Lesson 22 : **Class Diagram Creation Tips Georgia Tech Software Development Process**

Lesson 23 :
UML Structural Diagrams Component Diagram Georgia Tech Software Development Process

Lesson 24 : **UML Structural Diagrams Deployment Georgia Tech Software Development Process**

Lesson 25 : **UML Behavioral Diagrams Use Case Georgia Tech Software Development Process**

Lesson 26 : **Use Case Diagram Actors Georgia Tech Software Development Process**

Lesson 27 : **Building a Use Case Diagram Georgia Tech Software Development Process**

Lesson 28 : **Use Case Example Georgia Tech Software Development Process**

Lesson 29 : **Role of Use Cases Georgia Tech Software Development Process**

Lesson 30 : **Use Case Diagram Creation Tips Georgia Tech Software Development Process**

Lesson 31 : **UML Behavioral Diagrams Sequence Georgia Tech Software Development Process**

Lesson 32 :
UML Behavioral Diagrams State Transition Diagram Georgia Tech Software Development Process

Lesson 33 : **State Transition Diagram Example Georgia Tech Software Development Process**

Lesson 34 : **Recap Quiz Georgia Tech Software Development Process**

Lesson 35 : **Recap Quiz Solution Georgia Tech Software Development Process**

Lesson 36 : **Recap Quiz Georgia Tech Software Development Process**

Lesson 37 : **Recap Quiz Solution Georgia Tech Software Development Process**

Lesson 38 : **Lesson Overview Georgia Tech Software Development Process**

Lesson 39 : **Interview with Nenad Medvidovic Georgia Tech Software Development Process**

Lesson 40 : **What is Software Architecture Georgia Tech Software Development Process**

Lesson 41 : **General Definition of SWA Georgia Tech Software Development Process**

Lesson 42 : **Prescriptive vs Descriptive Architecture Georgia Tech Software Development Process**

Lesson 43 : **Architectural Evolution Georgia Tech Software Development Process**

Lesson 44 : **Architectural Degradation Georgia Tech Software Development Process**

Lesson 45 : **Architectural Recovery Georgia Tech Software Development Process**

Lesson 46 : **Architectural Recovery Quiz Georgia Tech Software Development Process**

Lesson 47 : **Architectural Recovery Quiz Solution Georgia Tech Software Development Process**

Lesson 48 : **Real World Example Georgia Tech Software Development Process**

Lesson 49 : **More Examples Georgia Tech Software Development Process**

Lesson 50 : **Final Example Georgia Tech Software Development Process**

Lesson 51 : **Architectural Design Quiz Georgia Tech Software Development Process**

Lesson 52 : **Architectural Design Quiz Solution Georgia Tech Software Development Process**

Lesson 53 : **Architectural Elements Georgia Tech Software Development Process**

Lesson 54 :
Components Connectors and Configurations Georgia Tech Software Development Process

Lesson 55 : **Configuration Example Georgia Tech Software Development Process**

Lesson 56 : **Deployment Architectural Perspective Georgia Tech Software Development Process**

Lesson 57 : **Architectural Styles Georgia Tech Software Development Process**

Lesson 58 : **Types of Architectural Styles Georgia Tech Software Development Process**

Lesson 59 : **Architectural Styles Quiz Georgia Tech Software Development Process**

Lesson 60 : **Architectural Styles Quiz Solution Georgia Tech Software Development Process**

Lesson 61 : **P2P Architectures Georgia Tech Software Development Process**

Lesson 62 : **Napster Example Georgia Tech Software Development Process**

Lesson 63 : **Skype Example Georgia Tech Software Development Process**

Lesson 64 : **Takeaway Message Georgia Tech Software Development Process**

Lesson 65 : **Introduction Georgia Tech Software Development Process**

Lesson 66 : **Analyzing Requirements Georgia Tech Software Development Process**

Lesson 67 : **Refining Classes and Attributes Georgia Tech Software Development Process**

Lesson 68 : **Adding Attributes Georgia Tech Software Development Process**

Lesson 69 : **Identifying Operations Georgia Tech Software Development Process**

Lesson 70 : **Adding Relationships Georgia Tech Software Development Process**

Lesson 71 : **Refining Relationships Georgia Tech Software Development Process**

Lesson 72 : **Refining the Class Diagram Georgia Tech Software Development Process**

Lesson 73 : **Final Considerations Georgia Tech Software Development Process**

Lesson 74 : **Debriefing Georgia Tech Software Development Process**

Lesson 75 : **Lesson Overview Georgia Tech Software Development Process**

Lesson 76 : **History of Design Patterns Georgia Tech Software Development Process**

Lesson 77 : **Patterns Catalogue Georgia Tech Software Development Process**

Lesson 78 : **Pattern Format Georgia Tech Software Development Process**

Lesson 79 : **Factory Method Pattern Georgia Tech Software Development Process**

Lesson 80 : **Factory Method Pattern Example Georgia Tech Software Development Process**

Lesson 81 : **Strategy Pattern Georgia Tech Software Development Process**

Lesson 82 : **Strategy Pattern Example Demo Georgia Tech Software Development Process**

Lesson 83 : **Other Common Patterns Georgia Tech Software Development Process**

Lesson 84 : **Choosing a Pattern Georgia Tech Software Development Process**

Lesson 85 : **Choosing a Pattern Quiz Georgia Tech Software Development Process**

Lesson 86 : **Choosing a Pattern Quiz Solution Georgia Tech Software Development Process**

Lesson 87 : **Negative Design Patterns Georgia Tech Software Development Process**

Lesson 88 : **Lesson Overview Georgia Tech Software Development Process**

Lesson 89 : **History of RUP Georgia Tech Software Development Process**

Lesson 90 : **Key Features of RUP Georgia Tech Software Development Process**

Lesson 91 : **UML Quiz Georgia Tech Software Development Process**

Lesson 92 : **UML Quiz Solution Georgia Tech Software Development Process**

Lesson 93 : **UML Quiz Georgia Tech Software Development Process**

Lesson 94 : **UML Quiz Solution Georgia Tech Software Development Process**

Lesson 95 : **Use Case Driven Georgia Tech Software Development Process**

Lesson 96 : **Architecture Centric Georgia Tech Software Development Process**

Lesson 97 : **Iterative and Incremental Georgia Tech Software Development Process**

Lesson 98 : **Cycle Example Georgia Tech Software Development Process**

Lesson 99 : **Phases within a Cycle Georgia Tech Software Development Process**

Lesson 100 : **Iterations Georgia Tech Software Development Process**

Lesson 101 : **Iterative Approach Quiz Georgia Tech Software Development Process**

Lesson 102 : **Iterative Approach Quiz Solution Georgia Tech Software Development Process**

Lesson 103 : **Inception Phase Georgia Tech Software Development Process**

Lesson 104 : **Elaboration Phase Georgia Tech Software Development Process**

Lesson 105 : **Construction Phase Georgia Tech Software Development Process**

Lesson 106 : **Transition Phase Georgia Tech Software Development Process**

Lesson 107 : **Phases and Iterations Georgia Tech Software Development Process**
