Mindluster Platform

About the course Machine Learning for Using ML Kit

ML Kit is a mobile SDK that brings Google's machine learning expertise to Android and iOS apps in a powerful yet easy-to-use package. Whether you're new or experienced in machine learning, you can implement the functionality you need in just a few lines of code.

Programming Category's Courses

Course Lesson(7)

Lesson 1 :
Machine Learning for Android App development Using ML Kit The Course Overview | packtpub com

Lesson 2 :
Machine Learning for Android App development Using ML Kit Camera Setup | packtpub com

Lesson 3 :
Machine Learning Android App development ML Kit Implement Text Recognition Device | packtpub com

Lesson 4 :
Machine Learning Android App development ML Kit Implement Face Detection Device | packtpub com

Lesson 5 :
Machine Learning Android App development ML Kit Implement Barcode Scan Device | packtpub com

Lesson 6 :
Machine Learning Android App development ML Kit Implementing Image Labeling Device | packtpub com

Lesson 7 :
Machine Learning Android App development ML Kit Implement Landmark Recognition Cloud | packtpub com
