About the course Advanced After Effects

How long does it take to master after effects? about 8 weeks If you sat down and devoted most of your working hours to learning After Effects you could confidently learn After Effects in about 8 weeks. This will only happen if you can focus on important motion design concepts (workflows, design, organization, color, etc.) Is After Effects 2020 Good? Adobe After Effects 2020 (version 17.0) has been released, and for Motion Graphics Templates there are some exciting new features we want to highlight: The drop-down menu makes it easy to adjust multiple settings at once and create a great user experience for editors in Premiere Pro. What is the latest after effects? Latest version The latest/most current version of Adobe After Effects is the January 2021 release (version 17.6). In this release, you get more accurate Content-Aware Fill, improvements to general quality, and fixes to crashing bugs. How hard is after effects to learn? AE isn't difficult, as such, it's just fiddly and time-consuming. Obviously you need to know what to do because you do it but there's not a whole lot more than 'applying effects, in a certain way, to certain frames or parts of a frame of a video'. ... After Effects is basically Photoshop with a timeline. Which Is Better After Effects or Premiere? They are best when working in tandem via Adobe's Dynamic Link. Premiere Pro is the industry standard in editing video and film, while After Effects is the industry standard for visual effects and text animation. Premiere Pro does have the ability to do many of the functions that After Effects has, just not as advanced. How much is After Effects 2020? Make a big scene bigger. Get After Effects as part of Adobe Creative Cloud for just US$20.99/mo.

Graphic Design Category's Courses

Course Lesson(55)

Lesson 1 :
After Effects MOTION Graphics Tutorial â”, Creating Motion Graphic Elements Using TRAPCODE FORM

Lesson 2 : **After effects TUTORIAL â”, Professional Quality Lower Thirds Full EXPLANATION**

Lesson 3 :
3D Camera Tracking in AFTER EFFECTS â”, Get Info On BUILDINGS IRON MAN Inspired VFX

Lesson 4 : **Color Grading Made Easy After Effects Tutorial â”, No Plugins Needed 100 After Effects**

Lesson 5 : **After Effects LIGHT Leaks TUTORIAL â”, Create Your OWN Cinematic Light Leaks**

Lesson 6 : **Action Trailer TITLES â”, After Effects TUTORIAL Game Of THRONES Style**

Lesson 7 : **After Effects Tutorial â”, Making A Still IMAGE TALK Using EXPRESSIONS**

Lesson 8 : **After Effects EXPRESSIONS Tutorial â”, Creating A Slider USING Only EXPRESSIONS**

Lesson 9 : **SKEWED Intro Tutorial â”, Create Sliding Intro In After Effects For Beginners**

Lesson 10 : **Realistic Headshot In After Effects â”, Complete Tutorial With Project FILES**

Lesson 11 : **EXTREME Color CORRECTION In After Effects â”, Complete CC TUTORIAL**

Lesson 12 : **SHAKING Credit Titles â”, After Effects TUTORIAL Simple Minimalistic AE TUTORIAL**

Lesson 13 :
SLEEK Motion Background TUTORIAL â”, Create and ANIMATE Bokeh In AFTER EFFECTS

Lesson 14 :
After Effects Tutorial Render Settings Properly Explained â”, Motion Graphics Rendering

Lesson 15 : **SCREEN Flashes Flickering Tutorial â”, 100 After Effects With EXPRESSIONS**

Lesson 16 : **After Effects Motion Graphics Tutorial â”, Simple Clean MOTION GRAPHICS**

Lesson 17 : **CINEMATIC Particles Logo Reveal TUTORIAL â”, Part 2 After Effects Tutorial**

Lesson 18 : **CINEMATIC Particles Logo Reveal TUTORIAL â”, Part 1 After Effects Tutorial**

Lesson 19 :
3D Text Using EXPRESSIONS â”, After Effects TUTORIAL NO PLUGINS and NO SHATTER

Lesson 20 : **How To Change FPS In Premiere Pro CC 60fps to 24fps**

Lesson 21 :
Puzzle INTRO Reveal â”, After Effects TUTORIAL IMITATION Game Trailer TEXT EFFECT

Lesson 22 : **Glitch INTRO TUTORIAL â”, 100 After Effects ADVANCED Tutorial**

Lesson 23 : **After Effects ANIMATED FONT TUTORIAL Complete Tutorial from Start To Finish**

Lesson 24 : **fayIN New Plugin For After Effects â”, fayIN Promo by ZENGen Learning**

Lesson 25 :
ULTIMATE Glitch INTRO TUTORIAL 100 After Effects Tutorial â”, Motion Graphics Tutorial

Lesson 26 : **Slide SCREEN Transition After Effects Tutorial â”, Perfect for Gaming Reviews VLOGS**

Lesson 27 : **After Effects Plexus Tutorial Design Stunning Motion Backgrounds â”, Full Explanation**

Lesson 28 : **Fire Particles After Effects Tutorials â”, Perfect for Motion Graphics and Video**

Lesson 29 : **Element 3D Missing Files Error â”, How To Fix This Quick Tutorial**

Lesson 30 : **Clean Parallax Slideshow Tutorial After Effects Clean Motion Graphics Tutorial**

Lesson 31 : **Horror Titles In After Effects â”, After Effects Horror Motion Graphics Tutorial**

Lesson 32 : **3D Lower Thirds Tutorial â”, After Effects Lower Thirds Tutorial 100 After Effects**

Lesson 33 : **How to create a Cinematic Title Design â”, After Effects Tutorial Complete Explanation**

Lesson 34 :
After Effects Tutorial Glitch Lower Thirds â”, Create Glitch Lower Thirds in After Effects

Lesson 35 :
Beautiful Establishing Shots After Effects Tutorial â”, Time Remapping Technique Tutorial

Lesson 36 : **After Effects Particular Tutorial Create Abstract Particle Backgrounds**
