Mindluster Platform

About the course Avid SC48 surface control techniques

Avid SC48 surface control course, in this course we will learn about the Avid SC48 surface control, a sophisticated system used in audio engineering. Participants will gain comprehensive knowledge of operating the Avid SC48 console, covering topics such as setting up and configuring the control surface, managing audio inputs and outputs, utilizing onboard effects and processing tools, and executing advanced mixing techniques. Through hands-on exercises and practical demonstrations, students will develop proficiency in using the Avid SC48 surface control for various live sound applications, including concerts, events, and studio recording sessions.

Technology Category's Courses

Course Lesson(4)

Lesson 1 : **Surface Control Avid SC48 Chapter 2**

Lesson 2 : **Adding EQ Avid SC48 Chapter 3**

Lesson 3 : **Assigning VCA s Avid SC48 Chapter 4**

Lesson 4 : **Plugins Avid SC48 Chapter 5**
