About the course **Technical Analysis for Beginners**

Course Presenter : Pushkar Raj Thakur : Business Coach

Technical Analysis for Beginners course introduces the fundamentals of analyzing financial markets. Participants will learn about chart patterns, indicators, trend lines, and support/resistance levels. The course covers how to interpret price movements, identify trends, and make informed trading decisions. By joining this course, you will gain the knowledge and skills to start applying technical analysis in your investment strategies. Unlock the power of technical analysis and enhance your ability to navigate the complexities of financial markets. Pushkar Raj Thakur : Business Coach
