About the course Clicker Training

Course Presenter : Dog Training by Kikopup

Clicker Training Dog course introduces participants to the principles and techniques of clicker training, a positive reinforcement-based method for training dogs. Participants will learn how to effectively use a clicker as a marker to communicate desired behaviors and reinforce them with rewards. The course covers basic obedience commands, trick training, and addressing behavior issues. By joining this course, you will gain the skills to strengthen the bond with your dog, improve communication, and shape desired behaviors using this popular and effective training approach. Enhance your dog's learning experience and enjoy a rewarding training journey together. Dog Training by Kikopup
