About the course About DISA

Course Presenter : Sachin Hissaria

About DISA Course: In this course, we will learn about the Defense Information Systems Agency (DISA) and its critical role in providing secure and reliable IT and communication support to the Department of Defense. Explore DISA's cybersecurity measures, command and control capabilities, information sharing initiatives, infrastructure management, and innovation efforts. Gain insights into how DISA contributes to the readiness and effectiveness of the U.S. military's communication and IT operations. Sachin Hissaria
