About the course Google keep notes clone app in flutter

Google keep notes clone app course, in this course guide to developing a note-taking application that mirrors the functionalities of Google Keep. Throughout this course, you'll delve into the intricacies of building a user-friendly interface for creating, organizing, and managing notes, including text, checklists, images, and voice memos. You'll explore features like color-coding, reminders, collaboration, and cross-device syncing, ensuring a seamless user experience. By the end of the course, you'll have the skills to develop your own Google Keep clone app, equipped with knowledge of essential tools and techniques in app development. Let's dive in and create your own Google Keep Notes Clone App.

Mobile Development Category's Courses

Course Lesson(21)

Lesson 1 :
PROJECT 05 0 Google Keep Notes Clone App In Flutter TODO App Using SQLite In Flutter

Lesson 2 : **HINDI 1 PART 01 Google Keep Notes UI Clone Completely Explained**

Lesson 3 : **HINDI 2 PART 02 Google Keep Notes UI Clone Completely Explained**

Lesson 4 :
HINDI 3 How To Create Database Table In SQLite Database SQL Database Storage Using Sqflite

Lesson 5 :
HINDI 4 How To Read Data From Database In SQLite Database SQL Database Storage Using Sqflite

Lesson 6 : **HINDI 5 How to update data in Database Using Sqflite Flutter**

Lesson 7 : **How to delete data from database in flutter sqflite**

Lesson 8 : **HINDI 7 Making Our Code More Efficient Models In Flutter Using Model In App**

Lesson 9 : **HINDI 8 Showing Notes In Our App Integrating UI with Backend**

Lesson 10 : **HINDI 9 Showing Complete Note Detail In Our App Integrating UI with Backend**

Lesson 11 : **HINDI 10 Making Edit Note Functionality In Our App Google Keep Notes Clone Flutter**

Lesson 12 :
HINDI 11 Making Search Notes Functionality In Our App Google Keep Notes Clone Flutter

Lesson 13 :
HINDI 12 Making Create Note Functionality In Our App Google Keep Notes Clone Flutter

Lesson 14 :
HINDI 13 Making Delete Note Functionality In Our App Google Keep Notes Clone Flutter

Lesson 15 : **HINDI 14 Making Pin Note Functionality In Our App Google Keep Notes Clone Flutter**

Lesson 16 :
HINDI 15 Making Archive Note Functionality In Our App Google Keep Notes Clone Flutter

Lesson 17 : **Registering Our App On Firebase Implementing Sync Note Functionality**

Lesson 18 :

HINDI 17 Integrating Google Sign In Implementing Sync Note Functionality Keep Notes Clone

Lesson 19 : HINDI 18 CRUD Operation On Firestore Firebase Sync Note Functionality In Flutter

Lesson 20 : HINDI 19 Fixing Some Bugs In Our App Google Keep Notes Clone App In Flutter

Lesson 21 :
HINDI 20 Project Completed DOWNLOAD MY APP Google Keep Notes Clone App In Flutter
