About the course Software engineering systems types

Software engineering systems types course, in this course aimed at providing a deep understanding of the various types of systems encountered in software engineering. Throughout this course, you'll explore the fundamental principles, classifications, and characteristics of different software systems. Delve into practical examples, case studies, and hands-on exercises to grasp the nuances of systems such as embedded systems, distributed systems, real-time systems, and more. By the end of the course, you'll have a solid foundation in recognizing, analyzing, and designing software systems tailored to specific requirements and constraints. Let's embark on this journey of Software Engineering Systems Types and unlock the potential of building robust and scalable software solutions.

Computer Science Category's Courses

Course Lesson(17)

Lesson 1 : **introduction to software engineering in hindi | software engineering lecture | lecture 1**

Lesson 2 : **Lec 1 2 Types of Systems in Software Engineering in Hindi**

Lesson 3 : **Lec 1 3 Program vs Software Products in Software Engineering in Hindi**

Lesson 4 : **Lec 2 1 Software Lifecycle Model SDLC in Software Engineering in Hindi**

Lesson 5 : **Lec 2 2 Classical Waterfall Model in Software Engineering in Hindi**

Lesson 6 : **Lec 2 3 Prototype Model in SDLC Software Engineering in Hindi**

Lesson 7 : **Lec 2 4 Iterative Model in SDLC in Software Engineering in Hindi**

Lesson 8 : **Lec 2 5 Spiral Model in Software Engineering in Hindi**

Lesson 9 : **Lec 2 6 Introduction to Agile methodologies in Software Engineering in Hindi**

Lesson 10 : **Lec 2 7 Comparison of Different lifecycle Model in Software Engineering in Hindi**

Lesson 11 : **Lec 3 1 Responsibility of Software Project Manager in Software Engineering in Hindi**

Lesson 12 : **Lec 5 1 Characteristics of Good Software Design in Software Engineering in Hindi**

Lesson 13 : **Lec 5 2 Cohesion Coupling in Software Engineering**

Lesson 14 : **Lec 5 3 Function Oriented Design in Software Engineering in Hindi**

Lesson 15 : **Lec 5 4 Object Oriented Design in Software Engineering in Hindi**

Lesson 16 : **Lec 6 1 Concept of Testing in Software Engineering in Hindi**

Lesson 17 : **Lec 6 2 Testing Type Cycle Model V Model in software Engineering in Hindi**
