About the course Data mining in data science development

Data mining in data science course, in this course designed to equip learners with the essential skills and knowledge needed to harness the power of data mining techniques in the realm of data science. Throughout this course, participants will delve into various data mining algorithms, methodologies, and tools used to extract valuable insights and patterns from large datasets. Topics covered include classification, clustering, association rule mining, anomaly detection, and more. Through practical demonstrations and hands-on exercises, students will gain proficiency in applying data mining techniques to real-world data science projects. By the end of the course, participants will be equipped with the expertise to effectively explore and analyze data, uncover hidden patterns, and make data-driven decisions. Let's embark on this journey of exploring Data Mining in Data Science and unlock the potential of data-driven insights.

Computer Science Category's Courses

Course Lesson(14)

Lesson 1 : **Lec 1 1 Fundamentals of Artificial Intelligence in Hindi**

Lesson 2 : **Lec 1 2 Need Application of Data Science in Hindi**

Lesson 3 : **Lec 1 3 Data Mining in Data Science Machine Learning in Hindi**

Lesson 4 : **Lec 1 4 Data Preparation in Data Science Machine Learning in Hindi**

Lesson 5 : **Lec 1 5 Machine Learning in Hindi**

Lesson 6 : **Lec 1 6 Types of Machine Learning in Hindi**

Lesson 7 : **Lec 1 7 Applications of Machine Learning in Hindi**

Lesson 8 : **Lec 2 1 Data Preprocessing in Data Science and Machine learning in Hindi**

Lesson 9 : **Mean Removal in Data Preprocessing Data Science and Machine learning in Hindi**

Lesson 10 : **Supervised learning in Data Science and Machine Learning in Hindi**

Lesson 11 : **Decision Tree Algorithm in Data Science and Machine Learning in Hindi**

Lesson 12 : **Linear Regression in Data Science and Machine Learning in Hindi**

Lesson 13 : **Data Science Machine Learning MCQ Based Questions Part I in Hindi**

Lesson 14 : **Data Science Machine Learning MCQ Based Questions Part 2 in Hindi**
