Mindluster Platform

About the course Algorithm development in C programming

Algorithm development in C course, in this course provides an in-depth exploration of algorithm design and implementation using the C programming language. Through this course, participants will gain a comprehensive understanding of fundamental algorithmic concepts and how to translate them into efficient C code. From sorting and searching algorithms to graph traversal and dynamic programming techniques, learners will explore a wide range of algorithms commonly used in software development. Practical exercises and examples will reinforce learning, enabling participants to apply algorithms to real-world problems effectively. By the end of the course, students will have the skills and knowledge needed to develop complex algorithms in C and solve computational challenges efficiently. Join us on this journey to master Algorithm Development in C and elevate your programming skills.

Programming Category's Courses

Course Lesson(18)

Lesson 1 : **Lec 1 1 Steps in Development of a Program**

Lesson 2 : **Lec 1 2 Algorithm Devlopment in C in Hindi**

Lesson 3 : **Lec 1 3 Concept of Flowchart in C in Hindi**

Lesson 4 : **Lec 1 4 Programming Use of Programming Basic Concept of Programming in Hindi**

Lesson 5 :
Lec 1 5 Various Techniques of Programming in C Concepts of Programming using C in Hindi

Lesson 6 : **Lec 1 6 Steps in Development of C Program**

Lesson 7 : **Lec 1 7 Compiling in C in Hindi**

Lesson 8 : **Lec 2 1 Structure of C Program with Example in Hindi**

Lesson 9 : **Lec 2 2 Writing and executing the first C Program Print hello message in C Program**

Lesson 10 : **Lec 2 3 Translator Assembler Interpreter Compiler in C in Hindi**

Lesson 11 : **Lec 2 4 I O Statements in C in Hindi**

Lesson 12 : **Lec 2 5 Keywords in C programming in Hindi**

Lesson 13 : **Lec 2 6 Constants in C Programming in Hindi**

Lesson 14 : **Lec 2 7 Variables in C Programming in Hindi**

Lesson 15 : **C Programming MCQ Based Questions Concept Of Programming Using C in Hindi**

Lesson 16 : **C Program to add two numbers in C programming in Hindi**

Lesson 17 : **C Program to Check the Number is Even or Odd in Hindi**

Lesson 18 : **Most Important Questions of Concept of Programming using C**
