Mindluster Platform

About the course Split AC universal control board Installation

Split AC universal control board course, in this course you will delve into the intricacies of this electronic unit designed to manage split air conditioning systems. Starting with an introduction to its components and functionalities, you'll explore how the universal control board streamlines operations and enhances maintenance processes across various residential and commercial cooling setups. Through practical demonstrations and detailed explanations, you'll learn how to install, configure, and troubleshoot the universal control board effectively. By the end of the course, you'll possess the skills to confidently handle and optimize split AC systems using universal control boards, ensuring efficient and reliable cooling performance in diverse settings

Engineering Category's Courses

Course Lesson(34)

Lesson 1 : **HOW IT WORKS Temperature Sensor 4051**

Lesson 2 : **What is the Black Cylinder at the End of Laptop Charger In Hindi**

Lesson 3 : **Installation of Split AC Universal Control Board**

Lesson 4 : **Ac Ton to kw conversion ac load calculation how much a 1 ton ac vastu load**

Lesson 5 : **How to repair expansion valve Hvac txv valve troubleshoot problem solve this video**

Lesson 6 : **CSIR CSCR CSIR Type Motor Potential Current Relay Wiring Easily II Hindi**

Lesson 7 : **How reset Carrier 30gtn air cooled chiller alarm**

Lesson 8 : **How to Make Photo Slide Show Using Pan Zoom in Filmora**

Lesson 9 : **How working TXV**

Lesson 10 : **carrier 30gt air cooled chiller serving**

Lesson 11 : **Indoor unit freezing problem solving**

Lesson 12 : **Ac compressor capacitor weak**

Lesson 13 : **Ac indoor unit supply line wire burn**

Lesson 14 : **HUAWEI Y9 PRIME 2019 UNBOXING IN 2020**

Lesson 15 : **How working ac remote**

Lesson 16 : **Condenser two phases motor fan blade replacement talk about wiring**

Lesson 17 : **Quran 7 Surat A Ar af The Heights Arabic and English translation HD**

Lesson 18 : **universal PCB wiring connection**

Lesson 19 : **synchronous motor working principle DIGITS**

Lesson 20 : **Refrigerator leak repaired flashing gas charging part 1**

Lesson 21 : **York air cooled chiller dryer core filter changing**

Lesson 22 : **Carrier 30XA Air cooled chiller programming issue**

Lesson 23 : **How resetting SKM chiller alarm**

Lesson 24 : **Wall mounted split ac indoor unit service**

Lesson 25 : **how reset carrier 30xa chiller tochpilot control alarm**

Lesson 26 : **Train old model air cooled chiller removed SKM chiller replacement**

Lesson 27 : **chilled water flow switch replacement**

Lesson 28 : **Ac indoor unit PCB repairing**

Lesson 29 : **how to check AHU cfm by digital meter**

Lesson 30 : **york chiller Skm control alarm child out locked out**

Lesson 31 : **AHU Duct clean by heavy vacuum machine**

Lesson 32 : **skm screw air cooled chiller CHWT out let sensor changed**

Lesson 33 : **how to add aqua treat aqua acid chemical with chilled water**

Lesson 34 : **how to check AHU assembly leak by air pressure pump**
