# About the course Relative Pronouns in english grammar

Relative Pronouns in english course, in this course we will learn about the relative pronouns in English, focusing on their usage and functions within sentences. Relative pronouns such as "who," "whom," "whose," "which," and "that" are essential for connecting clauses and providing additional information about nouns. Through a variety of interactive lessons and practical exercises, you will master the correct application of these pronouns in both written and spoken English. We will explore the differences between restrictive and non-restrictive clauses, ensuring you understand when and how to use each type. Additionally, the course will cover common mistakes and provide tips to avoid them, helping you to construct clear and concise sentences. By the end of the course, you will be able to use relative pronouns with confidence, enhancing your overall grammatical accuracy and fluency in English. Join us to deepen your understanding of relative pronouns and improve your language skills.
