About the course Passive voice in spoken english skills

Passive voice in spoken english course, in this course we will learn about the passive voice in spoken English, an essential aspect for achieving clarity and precision in communication. The passive voice is used to emphasize the action or the recipient of the action rather than the doer. This course will cover the rules and structures of forming passive sentences in various tenses. Through interactive lessons and practical exercises, students will understand when and why to use the passive voice, particularly in formal and professional contexts such as news reporting, academic discussions, and business presentations. We will explore real-life examples and practice transforming active sentences into passive ones. Additionally, the course will include speaking activities, role-plays, and peer discussions to reinforce learning and ensure students can confidently use the passive voice in their spoken English. Whether you are a beginner or looking to refine your language skills, this course will enhance your ability to communicate effectively and professionally. Join us to master the passive voice and elevate your spoken English proficiency.
