# About the course Screen Sharing in Prezi Video for beginners

Screen Sharing in Prezi Video course, in this course we will explore the essential features of Screen Sharing in Prezi Video and how to effectively integrate it into your presentations. You will learn how to share your screen during a Prezi Video session, allowing you to display your slides, documents, or any other content alongside your video presentation. We will guide you through the process of setting up screen sharing, ensuring that your content is displayed clearly and professionally. This course will also cover best practices for transitioning between your Prezi content and your shared screen, helping you maintain a smooth and engaging presentation flow. Additionally, youâ€™ll discover how to manage your screen sharing settings, including adjusting the layout, controlling what parts of your screen are visible, and interacting with your audience while sharing. By the end of this course, youâ€™ll be confident in using screen sharing in Prezi Video to enhance your presentations, whether for teaching, business meetings, or creative projects, making your content more dynamic and interactive.
