About the course Linux command line essentials

Course Presenter : TutorialsPoint

Linux command line essentials, in this course we will learn about the Linux command line essentials, a fundamental skill for anyone working with Linux systems. The course begins with basic navigation commands like ls, cd, and pwd, helping you explore the file system efficiently. You'll master file and directory management, including creating, copying, moving, and deleting files using commands like cp, mv, rm, and mkdir. Learn to manage file permissions with chmod and chown and explore process management with ps and kill. Additionally, the course introduces text manipulation tools like cat, grep, and sed, along with basic networking commands like ping and ifconfig. By the end, you'll confidently use the Linux CLI to automate tasks, manage files, and troubleshoot effectively, setting a strong foundation for advanced Linux skills.

Computer Science Category's Courses

Course Lesson(15)

Lesson 1 : **1 10 Basic Linux Commands ls command Explained in 20 Seconds shorts linux**

Lesson 2 : **2 10 Basic Linux Commands cd command shorts linux linuxcommands**

Lesson 3 : **3 10 Basic Linux Commands mkdir command shorts linux linuxcommands**

Lesson 4 : **4 10 Basic Linux Commands rm command in linux shorts linux linuxcommands**

Lesson 5 : **5 10 Basic Linux Commands cat command in linux shorts linux linuxcommands**

Lesson 6 : **6 10 Basic Linux Commands touch command in linux shorts linux linuxcommands**

Lesson 7 : **7 10 Basic Linux Commands mv command in linux shorts linux linuxcommands**

Lesson 8 : **8 10 Basic Linux Commands sort command in linux shorts linux linuxcommands**

Lesson 9 : **9 10 Basic Linux Commands cp command in linux shorts linux linuxcommands**

Lesson 10 : **10 10 Basic Linux Commands tar command in linux shorts linux linuxcommands**

Lesson 11 : **How to use wget command in Linux Linux Commands shorts linux**

Lesson 12 : **How to use diff command in Linux Linux Commands shorts linux**

Lesson 13 : **What is the use of df command in linux Learn in 20 Seconds shorts linux**

Lesson 14 : **Nano command in linux Nano text Editor Linux Commands shorts linux**

Lesson 15 : **Export Command in Linux Linux Commands shorts linux**
