About the course Building a wordPress website from scratch

Course Presenter : Santrel Media

Building a wordPress website, in this course you will learn how to build a WordPress website from scratch, even with no prior experience. We will cover everything from setting up hosting and installing WordPress to customizing themes, adding essential plugins, and creating pages and blog posts. Youâ€™ll gain hands-on experience in designing a professional website, optimizing it for search engines (SEO), and ensuring security and performance. Whether you want to create a personal blog, business site, or portfolio, this course will guide you step by step. By the end, you'll have a fully functional WordPress website ready to launch. Perfect for beginners and aspiring web developers. Santrel Media
