About the course Create a professional website with Wix

Course Presenter : Santrel Media

Create a professional website with Wix, in this course youâ€™ll learn how to create a professional website using Wix, even without coding skills. Weâ€™ll cover everything from signing up on Wix, choosing the right template, and customizing your website design to adding pages, images, and interactive elements. Youâ€™ll discover how to optimize your site for SEO, integrate essential apps, and enhance user experience. Weâ€™ll also explore e-commerce features, blogging, and contact forms to make your website functional and engaging. Whether you're a business owner, freelancer, or personal brand, this course will equip you with the skills to design a fully responsive, attractive, and high-performing website with Wix.
