About the course Create thumbnails using canva for beginners

Course Presenter : Umar Tazkeer

Create thumbnails using canva, in this course we will learn about Creating Thumbnails Using Canva, covering how to design eye-catching, high-quality thumbnails that grab attention and increase click-through rates. Youâ€™ll discover how to use Canvaâ€™s templates, fonts, colors, and graphic elements to create professional YouTube, blog, and social media thumbnails effortlessly. Weâ€™ll also explore best design practices, contrast techniques, text readability, and image optimization to make thumbnails stand out. By the end, youâ€™ll master Canva tools, thumbnail branding strategies, and expert tips to boost engagement and maximize views on your content. Umar Tazkeer
