About the course Complete digital marketing for beginners

Course Presenter : Umar Tazkeer

Complete digital marketing, in this course we will learn about digital marketing from the ground up, covering everything you need to know to succeed in today's online marketing world. Youâ€™ll start by understanding the basics of SEO (Search Engine Optimization), PPC (Pay-Per-Click) advertising, and content marketing. We will then dive into social media marketing, where youâ€™ll learn how to use platforms like Facebook, Instagram, LinkedIn, and more to drive engagement and grow your brand. Additionally, weâ€™ll cover email marketing, affiliate marketing, and conversion rate optimization (CRO) to turn visitors into customers. We will also explore analytics to measure success and optimize campaigns for better results. By the end of this course, you will have a comprehensive understanding of how to build, implement, and manage digital marketing campaigns effectively, helping you grow your online presence and achieve business goals.
