About the course Skills in digital marketing for beginners

Course Presenter : Umar Tazkeer

Skills in digital marketing in hindi, in this course we will learn about the essential skills required for a successful career in digital marketing. We will cover key areas such as SEO (Search Engine Optimization), PPC (Pay-Per-Click) advertising, content marketing, and social media marketing. Youâ€™ll learn how to develop effective strategies for digital campaigns, create engaging content, and use Google Ads and Facebook Ads for paid marketing. We will dive into email marketing, lead generation, and analytics to help you track campaign performance. Additionally, this course will teach you how to optimize websites for better user experience (UX), integrate conversion rate optimization (CRO), and analyze website traffic using tools like Google Analytics. By the end of this course, youâ€™ll have a solid understanding of how to apply digital marketing techniques effectively, manage campaigns, and measure success. Whether you're a beginner or looking to refine your skills, this course will set you up for success in digital marketing. Umar Tazkeer
