# About the course Advanced english listening and vocabulary

### Course Presenter : EnglishAnyone

Advanced english listening and vocabulary, in this course we will enhance both your listening skills and vocabulary knowledge to help you communicate more effectively. This course focuses on understanding fast, natural speech, recognizing different accents, and improving comprehension of spoken English in real-life situations. You will learn advanced vocabulary, including idioms, phrasal verbs, collocations, and academic words, to boost your fluency. Through interactive listening exercises, engaging audio materials, and practical dialogues, youâ€™ll train your ear to grasp meanings effortlessly. We will also cover strategies for guessing words from context, improving pronunciation, and responding confidently in conversations. Whether you're preparing for exams, work, or travel, this course will help you understand English better and express yourself more accurately. EnglishAnyone
