About the course Business english communication skills

Course Presenter : EnglishAnyone

Business english communication skills, in this course we will develop essential language skills for professional success. This course covers business vocabulary, formal writing, speaking strategies, and effective listening to help you communicate confidently in workplace settings. You will learn how to write professional emails, participate in meetings, deliver presentations, and handle negotiations with fluency and accuracy. Through real-life scenarios, role-plays, and interactive exercises, you will improve your ability to express ideas clearly, respond appropriately, and engage in business discussions. We will also focus on cross-cultural communication, networking etiquette, and formal vs. informal business language. Whether youâ€™re preparing for job interviews, working in an international environment, or looking to enhance workplace communication, this course will equip you with the skills needed to succeed in business interactions.
