About the course English slang dictionary for fluency

Course Presenter : EnglishAnyone

English slang dictionary, in this course we will explore the most commonly used slang words and phrases in modern English. Slang is an essential part of casual communication, helping you understand native speakers, engage in natural conversations, and sound more fluent. This course will cover American, British, and urban slang expressions, explaining their meanings, origins, and proper usage. You will learn slang related to friendship, work, social media, entertainment, and everyday life, ensuring you can follow informal conversations with ease. Through interactive exercises, real-life dialogues, and pronunciation practice, youâ€™ll become familiar with the most popular slang words and phrases. Whether you're traveling, chatting online, or just want to sound more like a native speaker, this course will help you master informal English and keep up with modern expressions. EnglishAnyone
