About the course Phrasal Verbs in daily conversations

Course Presenter : 7ESL Learning English

Phrasal Verbs, in this course we will explore essential phrasal verbs that native speakers use daily, helping you understand and communicate more naturally. Phrasal verbs consist of a verb + preposition or adverb, often changing the original meaning of the verb (e.g., "give up" = quit, "run into" = meet by chance). In this course, we will learn common, advanced, and business-related phrasal verbs, along with their meanings and proper usage. You will practice real-life conversations, listening exercises, and role-plays to boost your fluency. We will also cover separable and inseparable phrasal verbs, helping you use them correctly in both speaking and writing. Whether for casual speech, work, or travel, mastering phrasal verbs will make your English sound more fluent, expressive, and natural. By the end, youâ€™ll confidently use them in any situation 7ESL Learning English
