About the course Resin Clocks making for beginners

Course Presenter : Summer Girl Designs

Resin Clocks making, in this course we will learn about Resin Clocks Making Course, covering everything from designing to assembling stunning resin clocks. Youâ€™ll explore resin types, mold selection, mixing techniques, and adding pigments or metallic effects for unique designs. Learn how to embed decorative elements like flowers, shells, or glitter for a personalized touch. Weâ€™ll also cover how to properly cure, sand, and polish your clock for a smooth finish. Finally, youâ€™ll discover how to install clock mechanisms and hands for a functional and artistic piece. Whether you're a beginner or experienced, this course will guide you in crafting elegant resin clocks. Join us and master the art of resin clock making. Summer Girl Designs
