About the course Casting flowers in resin for beginners

Course Presenter : Summer Girl Designs

Casting flowers in resin, in this course teaches you how to preserve delicate flowers in stunning resin creations. In this course, we will learn about Casting Flowers in Resin, covering essential techniques for drying, embedding, and sealing flowers in epoxy resin. Discover how to create transparent resin art, jewelry, coasters, keychains, and decorative pieces using real flowers. Learn layering techniques to achieve depth and clarity, prevent bubbles, and maintain flower color. Whether you're a beginner or an artist, this course provides step-by-step guidance to craft beautiful floral resin pieces that last forever. Preserve nature in art today. Summer Girl Designs

Soft Skills Category's Courses
