

About the course Resin coasters making for beginners

Course Presenter : Summer Girl Designs

Resin coasters making, in this course we will learn about Resin Coasters Making Course, where you'll explore the art of crafting unique, high-quality resin coasters using epoxy resin, pigments, and creative techniques. We'll cover essential steps, including proper resin mixing, color blending, adding decorative elements like gold leaf, glitter, and dried flowers, and achieving a smooth, glossy finish. You'll learn how to create stunning designs such as marble effects, geode coasters, and beach-themed styles. We'll also discuss safety tips, curing times, and troubleshooting common resin issues like bubbles and uneven surfaces. Whether you're a beginner or looking to refine your resin skills, this course will help you create professional-looking coasters for home decor, gifts, or even to sell. Join us and turn simple resin into beautiful, functional art. Summer Girl Designs
