About the course Making 3D flower resin coasters

Course Presenter : Summer Girl Designs

Making 3D flower resin coasters, in this course we will learn about Making 3D Flower Resin Coasters Course, where you'll discover how to create stunning coasters with realistic 3D floral effects using epoxy resin. Weâ€™ll cover essential techniques like resin mixing, layering, and color blending to create lifelike flowers inside your coasters. Youâ€™ll learn how to use resin pigments, petal shaping methods, and pouring techniques to achieve depth and dimension. Weâ€™ll also discuss how to embed real dried flowers, remove bubbles, and ensure a smooth, glossy finish. This course is perfect for beginners and experienced resin artists looking to enhance their skills. By the end, youâ€™ll have elegant, professional-quality 3D flower resin coasters, perfect for home decor, gifting, or selling. Join us and bring your floral resin art to life. Summer Girl Designs
