About the course Making hollow resin tray coaster

Course Presenter : LET S RESIN

Making hollow resin tray coaster, in this course we will learn about Making Hollow Resin Tray Coaster Course, where you'll explore the art of crafting stunning hollow resin coasters using epoxy resin, molds, and creative design techniques. Weâ€™ll cover essential steps, including resin mixing, color blending, and embedding decorative elements like dried flowers, gold leaf, and glitter. Youâ€™ll learn how to create unique hollow designs, achieve a smooth, glossy finish, and troubleshoot common resin issues like bubbles and uneven curing. Weâ€™ll also guide you through advanced techniques such as layering, transparent effects, and incorporating metallic accents for a luxurious touch. Whether you're a beginner or an experienced resin artist, this course will help you craft elegant, high-quality resin tray coasters perfect for home decor, gifting, or selling. Join us and bring your resin art to life with beautiful hollow designs. LET S RESIN
