About the course Mandala Patterns for beginners

Course Presenter : Vanitha Arts

Mandala Patterns, in this course we will explore the fundamentals of designing beautiful and intricate mandala patterns using simple step-by-step techniques. This course is perfect for beginners and art lovers who want to develop their creativity while mastering symmetry, repetition, and geometric precision. We will start with the basic structures of mandalas, learning how to divide circles, create radial balance, and build patterns using dots, lines, curves, and floral elements. As we progress, we will introduce advanced shading, detailing, and coloring techniques to enhance each design. Whether for relaxation, mindfulness, or artistic expression, this course will provide you with the skills to create mesmerizing mandala patterns with confidence and precision. Vanitha Arts
