# About the course Mandala drawing in zen geometry

### Course Presenter : Zak Korvin

Mandala drawing in zen geometry, in this course we will learn about Mandala drawing in Zen Geometry, exploring the intricate patterns and sacred symmetry that define this meditative art form. Mandalas, deeply rooted in Zen philosophy, symbolize balance, unity, and the infinite nature of existence. Through guided exercises, we will create detailed, harmonious designs, using geometric principles such as circles, symmetry, and repetition. Step by step, you will master techniques to craft mesmerizing mandalas while embracing the calming, mindful process of drawing. Whether you are a beginner or an advanced artist, this course will help you develop focus, patience, and creativity. By the end, youâ€™ll have a strong foundation in Zen-inspired Mandala art, with the ability to design your own intricate patterns. Unleash your artistic spirit and immerse yourself in the meditative world of Mandala Drawing in Zen Geometry. Zak Korvin
