About the course Geometric mandala design essentials

Course Presenter : Zak Korvin

Geometric mandala design, in this course we will learn about Geometric Mandala Design, exploring the art of creating intricate, symmetrical patterns with precision and creativity. Youâ€™ll discover the fundamental principles of geometric design, including symmetry, radial balance, and pattern repetition. Using simple tools like a compass, ruler, and protractor, you'll develop skills to craft mesmerizing mandalas step by step. This course is perfect for beginners and experienced artists alike, helping you enhance your artistic abilities, improve focus, and create stunning, detailed mandala artworks. Join us now and immerse yourself in the meditative and creative world of geometric mandala design. Zak Korvin
