About the course Drawing of the Root Chakra with Geometric

Course Presenter : Zak Korvin

Drawing of the Root Chakra with Geometric, in this course we will learn about Drawing of the Root Chakra with Geometric Tools. We will explore step-by-step techniques to construct the sacred Root Chakra symbol using a compass, ruler, and precise geometric principles. Starting with a perfect square representing stability, we will add an inverted triangle, circles, and lotus petals, following sacred geometry rules to ensure balance and harmony. This course will deepen your understanding of the Root Chakraâ€™s symbolic meaning while enhancing your geometric drawing skills. By the end, you will master the techniques to create a beautifully symmetrical Root Chakra design. Zak Korvin
