About the course Handmade Journal making for beginners

Course Presenter : Johanna Clough

Handmade Journal making, in this course we will learn about Handmade Journal making, covering everything from selecting materials to assembling and decorating your own custom journals. Youâ€™ll explore different bookbinding techniques, paper choices, cover designs, and embellishments to create unique, personalized journals. Whether you prefer traditional or modern styles, this course will guide you step-by-step through the process, ensuring your final product is both functional and beautiful. Ideal for beginners and craft enthusiasts, youâ€™ll gain hands-on experience in stitching, folding, and binding pages, along with creative ways to customize covers using fabric, leather, or decorative paper. By the end of the course, you'll have a complete handmade journal and the skills to make many more. Join us in this exciting journey of creativity and craftsmanship. Johanna Clough
