About the course Junk Journal making for beginners

Course Presenter : Johanna Clough

Junk Journal making, in this course we will learn about junk journal making, from gathering materials to assembling and decorating unique journals using recycled papers, fabrics, and embellishments. Youâ€™ll explore creative techniques such as layering, distressing, stitching, and binding to transform everyday scraps into beautiful, personalized journals. Whether you prefer vintage, grunge, or artistic styles, this course provides step-by-step guidance on designing interactive pages, pockets, and tags. Perfect for beginners and craft lovers, youâ€™ll discover how to repurpose old books, magazines, and textiles into stunning works of art. By the end of this course, you will have created a fully customized junk journal and gained skills to continue making more. Join us and start crafting your own creative and eco-friendly journals today. Johanna Clough
